TIME IN ANTARCTICA

You will be guided on a gentle hike to the base of a near by mountain where we will host an adventurer's picnic. For the more daring, one of our seasoned mountain guides will lead you to the summit to take in the spectacular views of the Wolf's Fang range.

Our specially adapted 6x6 vehicles will take you on a tour of the mountains that encircle the runway.

THE GULFSTREAM G550

White Desert is the only company in the world to offer a private jet service to Antarctica. The Gulfstream has space for up to 12 guests and members of the White Desert staff will accompany the flight. Whether you choose to a dedicated charter or take a single seat on the jet, all signs point to the Greatest Day!

A group of about ten hikers in colorful gear are standing on the summit of a large, rugged, brown rock mountain. They are all raising their arms in celebration. The mountain has some snow patches in its crevices. In the background, there are more mountains and a clear blue sky.
