Camping in the world's wildest places doesn't mean you need to give up the hope of a relaxing holiday. If you have the budget, there are terrific glamping sites across every continent for any traveller who wants to experience solitude in far-off places, without compromising on comfort. We've rounded up ten of the best glamping experiences in remote places to inspire you.

Holiday at the end of the world

Glamping doesn't get more remote than this. Antarctica's only luxury accommodation, White Desert skips the traditional gruelling - but spectacular - journey and instead flies visitors in, staying in a temporary but comfortable dome with meals cooked by an award-winning chef. Trips only run in November and December and the company is accredited as carbon neutral.
