ANTARCTICA

## ECHO ACTIVITIES

Inspired by astronauts, used by explorers - Echo futuristic camp is situated in the heart of the Drygalski mountain range, set in a landscape that feels like setting foot on another planet. Providing exclusive access to the interior of Antarctica for an ultra-luxury adventure.

Every trip is bespoke with a wide choice of activities and highlights, such as visiting the nearby 28,000 strong Emperor Penguin colony or a bucket-list journey to the South Pole.

*\*There is no minimum fitness requirement for our activities; guests always have the final decision on which activities they wish to join.*

### MOUNTAIN PEAKS

The summits of the seven nearby nunatak mountains can be reached on foot by a variety of routes ranging from gentle to challenging, but they all offer spectacular views.

### ICE CLIMBING

With the help of ice axe and crampons, guests will scale walls of ice carved out of the glacier surrounding the Henriksen Nunatak mountains.

### EXPLORERS LOOP

We've groomed a 14km track in and around the nunatak mountains for guests to enjoy as they please.

### SKIING

A chance to explore on cross-country skis and discover real solitude.

### FATBIKES

There is no better place to ride fatbikes than on an Antarctic glacier!

### SKIDOO

Taking a skidoo for a spin opens up thrilling new vistas!

### ARCTIC TRUCK SAFARI

Specially converted to Antarctic specifications, the Arctic Truck is in its element on the ice.

Our UIAGM guides will take guests on an exhilarating safari over the glacier, where they will explain how the glacier is formed and share stories from the area's rich history of exploration.

### CHAMPAGNE PICNICS

Refuel on the top of a rugged peak with views to every horizon, the perfect opportunity to sip on a cocktail with 10,000-year-old ice.

### ABSEILING

Prepare for a real adventure as our former world champion climbers teach you how to safely scale the stunning red granite walls that encircle our camp.

### MOUNTAINEERING

Traverse the world's most pristine wilderness and follow in the footsteps of your UIAGM mountain guides to witness rarely seen vistas and nature at its finest.

### SCENIC FLIGHTS

You can enjoy a scenic flight aboard our Basler-BT67 that delivers stunning outlooks of the mountain peaks and glaciers of Queen Maud Land.
